

# Request to Combine Schools

This form represents a request to combine schools for awards purposes only at the MS State Meet. Schools that are requesting to be combined must meet the following requirements:

1. Must be feeder schools of the JH/MS requesting to be combined with according to the official District feeder plan/attendance zone map.
2. All schools must be registered separately for the TMSCA state meet, to include all entry fees and other charges, and then will be combined by TMSCA officials.
3. Schools will be combined under the name of the school with the highest grade levels, i.e. junior high or middle school. No new schools under a new school name will be created for combination purposes.
3. **Request to Combine Schools** form must be filed with the TMSCA state office by the deadline for registration of the current year's state meet via email (execsectmsca@gmail.com) or fax (940.563.1006). Form must contain the appropriate signatures of each school principal and coach involved. Form will be accepted contingent on verification by the TMSCA State office.
