TMSCA Executive Board meets June 24

The meeting of the TMSCA Executive Board was called to order at 9:02 a.m. by President Wenzen Chuang.

The minutes from the Executive Board meeting on March 16 were accepted.

The resignation of Sammy Wyatt as Middle School Director was accepted.

Sylvia Martinez (Abilene Wylie) was appointed to fill the unexpired term of the vacated Middle School Director.

High School Directors Report:

The 2023 State Meet had 84 schools and 816 students who participated this year, which was up from prior year. TMSCA awarded \$35,000 in scholarships at the High School Meet.

Middle School Directors Report:

Participating in the 2023 Middle School Championship Meet were 152 schools and 2,367 students, with 4,501 total entries. We were close to capacity in science. The numbers are not back to pre-Covid yet, but things are improving.

Executive Director Report

• Dallas ISD continues to be a great supporter of TMSCA, and their numbers are growing.

• Inservice date for DISD this year is Sept. 9. It will be from 9 a.m. - 3 p.m.

• The DISD meet is Sept. 30.

• Last year, we had 424 schools registered. 272 of those were elementary/middle schools, and 152 were high schools. We need to try to get 100 high schools to state next year.

• Name tags will be ordered for new members, as well as updates/replacements as needed for existing board members.

• There is a problem with the new hotel in securing the registration room next year for both the MS and HS State Meets. The hotel will provide a ballroom for our registration

State Meets Coordinator Reports

Maps will be added to testing folders/packets, and senior packets will have pre-selected proctors that will be confirmed prior to State Meet.

The streamlined distribution changes that were made and the Grading Room Coordinators Meeting were both helpful.

The TMSCA High School State Meet won't interfere with UTSA Spring Break next year, so hopefully more volunteers will be available.

UIL Liaison Report

• UIL test writers are onboard for next year except for biology.

• David Trussell said there were no issues with Number Sense, Calculator, Math or Science at Legislative Council.

• The Physics book this year will be Five Equations that Changed the World.

• Concerns about UIL classification have been voiced, but it is a committee decision, and there doesn't seem to be clear-cut guidelines.

High School test writers - there has been some turnover. HS Biology writer

is still up in the air.

The treasurer's report is postponed until the December Executive Meeting, and the TMSCA budget for 2023-2024 will be posted in an Executive Board folder.

The Executive Board approved the 2023- 2024 calendar with changes as presented.

From the constitution (to be included in the policy book): A high school team score can be up to 4 scores, and only positive scores will be used; there can be no more than 3 senior scores.

Middle School Magnet Schools:

The Executive Board updated the TMSCA policy to state that Middle and Elementary Magnet Schools without an official feeder pattern will be placed into the highest classification of any High School in their district.

The Executive Secretary needs to be amended to Executive Director in job titles. The job description of the Executive Director was updated to be an ex officio non-voting member of the TMSCA Executive Board.

The next TMSCA Executive Board meeting will be Dec. 2 at the Courtyard Dallas NW.

At 12:43 p.m., the Executive Board meeting was adjourned
